

Greeting

Customer: Hi

NeoKrish: Hello! I am your AI assistant NeoKrish. How can I help you today?

Customer: Hello

NeoKrish: Hello! Welcome to NeoKrish EV Rentals. I am your virtual assistant. How can I help you today?

Available Bikes

Customer: I want to rent an electric bike.

NeoKrish: Sure sir. We currently have TVS iQube, Ola S1 Pro, Ather 450X, and Bajaj Chetak Electric available for rent.

Customer: Which electric bikes are available?

NeoKrish: Available electric bikes are TVS iQube, Ola S1 Pro, Ather 450X, and Bajaj Chetak Electric.

Customer: Are any electric bikes available in your store?

NeoKrish: Yes sir, we currently have electric bikes available for rent.

Rental Duration

Customer: What rental durations are available?

NeoKrish: We offer hourly, daily, weekly, and monthly rental options.

Customer: Is hourly rental available?

NeoKrish: Yes sir, hourly rentals are available starting from Rs.50 per hour.

Customer: Is hourly rental available for electric bikes?

NeoKrish: Yes sir, hourly rental is available for selected electric bikes.

Customer: What is the hourly rental charge?

NeoKrish: The rental charge is Rs.50 per hour.

Rental Prices

Customer: What are your electric bike rental prices?

NeoKrish: Our rental prices are as follows.

Customer: What is the price of Ola S1 Pro?

NeoKrish: Ola S1 Pro rental price is Rs.500 per day, Rs.3200 per week, and Rs.11500 per month.

Customer: What is the price of Ather 450X?

NeoKrish: Ather 450X rental price is Rs.600 per day, Rs.3800 per week, and Rs.13000 per month.

Customer: What is the price of TVS iQube?

NeoKrish: TVS iQube rental price is Rs.450 per day, Rs.2900 per week, and Rs.10000 per month.

Customer: What is the rent for Ather 450X per day?

NeoKrish: The rental price for Ather 450X is Rs.600 per day.

Customer: Which is the cheapest electric bike?

NeoKrish: The most affordable option is TVS iQube with rentals starting from Rs.450 per day.

Late Return Penalty

Customer: What happens if I return the bike late?

NeoKrish: If the rental duration exceeds the booked time an additional penalty of Rs.50 per extra hour or Rs.200 per extra day will be charged.

Customer: How much is the penalty?

NeoKrish: The late return penalty is Rs.500 per extra day and Rs.50 per extra hour.

Customer: If I return the bike 2 days late how much should I pay?

NeoKrish: If you return the bike 2 days late you will need to pay an additional Rs.1000 as penalty charge.

Customer: I forgot to return the bike on time.

NeoKrish: No problem sir. You can extend your rental duration through the app or customer support before the grace period ends.

Customer: What if I return it late without extension?

NeoKrish: A late penalty charge will apply based on extra hours or days used.

Booking

Customer: Is online booking available?

NeoKrish: Yes sir, online booking is available for all electric bikes through our website and mobile app.

Customer: How can I book a bike online?

NeoKrish: You can select your preferred bike, choose rental duration, upload your ID proof, and complete the payment online.

Customer: Which payment methods are available?

NeoKrish: We support UPI, Credit Card, Debit Card, Net Banking, and Wallet Payments.

Customer: Will I receive booking confirmation?

NeoKrish: Yes sir, once the payment is successful you will receive booking confirmation instantly through SMS and email.

Rental Extension

Customer: Can I extend my rental period?

NeoKrish: Yes sir, rental period extension is available based on bike availability.

Customer: How can I extend the rental duration?

NeoKrish: You can extend your rental through the Mobile App, Website, or Customer Support Call.

Customer: Will extra charges apply for extension?

NeoKrish: Yes sir, additional rental charges will be added based on the extended duration.

Customer: What if I extend for only a few hours?

NeoKrish: No problem sir. Hourly extension is also available starting from Rs.50 per hour.

Customer: What happens if I do not extend and return late?

NeoKrish: If the rental duration is exceeded without extension approval a late penalty charge will apply.

Customer: Will I receive confirmation after extension?

NeoKrish: Yes sir, you will receive confirmation instantly through SMS and email after successful payment.

Membership Plans

Customer: Do you have any monthly membership plans?

NeoKrish: Yes sir, we offer monthly membership plans with special discounts and free benefits for regular customers.

Customer: What is the Silver Plan?

NeoKrish: Silver Plan costs Rs.4999 per month and includes 1 electric scooter access, free maintenance, and 10 percent discount on extra hours.

Customer: What is the Gold Plan?

NeoKrish: Gold Plan costs Rs.7999 per month and includes unlimited daily rides, free charging support, zero maintenance charges, and 15 percent discount on long trips.

Customer: What is the Platinum Plan?

NeoKrish: Platinum Plan costs Rs.11999 per month and includes premium electric bikes, priority booking, free doorstep pickup and drop, no security deposit, and 24 by 7 customer support.

Customer: Which membership is most popular?

NeoKrish: The Gold Plan is the most popular because it provides unlimited rides and lower overall cost.

Customer: Is there any offer for monthly members?

NeoKrish: Yes sir, monthly members get free maintenance, lower rental prices, priority booking, special festival discounts, and cashback offers on renewals.

Technical Support and Replacement

Customer: What if the bike gets damaged because of a technical issue from your side?

NeoKrish: Sorry for the inconvenience sir. If the issue is caused by a technical fault from our side we will provide a replacement bike immediately at no extra cost.

Customer: Will I need to pay any charges for the replacement?

NeoKrish: No sir, replacement is completely free if the problem is due to our bike technical fault.

Customer: What happens if the bike issue is caused by the customer?

NeoKrish: If the damage is caused by the customer due to improper handling or accident service charges will apply based on damage inspection.

Customer: What kind of problems are covered?

NeoKrish: Battery failure, motor problem, brake failure, charging issue, and system error are covered under free replacement support.

Customer: My bike battery is suddenly low during the trip. What should I do?

NeoKrish: Sorry for the inconvenience sir. Please check the nearest charging station from the app. If needed our support team can assist you.

Customer: What if the bike stops completely?

NeoKrish: Please stay calm sir. Share your current location and we will arrange roadside assistance or a replacement bike if required.

Customer: Will I need to pay extra charges for breakdown?

NeoKrish: If the issue is due to a technical fault from our side there will be no extra charges.

Accident Procedure

Customer: I met with a small accident.

NeoKrish: Sorry to hear that sir. First please ensure your safety. If needed contact emergency services immediately.

Customer: What should I do after an accident?

NeoKrish: Please share your booking ID, current location, and bike condition photos. Our support team will assist you further.

Driving License

Customer: Is a driving license required to rent a bike?

NeoKrish: Yes sir, a valid driving license is mandatory for renting electric bikes from our store.

Customer: What type of license is accepted?

NeoKrish: We accept Two-wheeler Driving License MCWG or LMV and Digital License from DigiLocker or mParivahan.

Customer: Can I rent a bike without a license?

NeoKrish: Sorry sir, rental is not allowed without a valid driving license for safety and legal reasons.

Customer: Do I need to upload the license online?

NeoKrish: Yes sir, during online booking you need to upload your Driving License and Aadhaar Card or ID Proof.

Customer: What happens if the license is expired?

NeoKrish: Sorry sir, expired licenses are not accepted. Please renew your license before booking.

Seasonal Demand

Customer: Which season has the highest bike rental demand?

NeoKrish: The highest bike rental demand comes during the winter and summer tourist seasons in India.

Customer: Which months are considered peak season?

NeoKrish: October to February is winter tourism peak season and March to June is summer vacation peak season.

Customer: Which season has less demand?

NeoKrish: Monsoon season from July to September usually has lower demand because of heavy rain and slippery roads.

Customer: Should I book in advance during peak season?

NeoKrish: Yes sir, advance booking is highly recommended during weekends, holidays, and tourist seasons because bikes may become unavailable quickly.

Bike Recommendations

Customer: Which is the best electric bike for Bangalore city travel?

NeoKrish: For Bangalore city travel the best option is TVS iQube because it offers smooth city riding, good battery backup, comfortable traffic handling, and affordable rental price.

Customer: Which bike is best for long trips?

NeoKrish: For long rides Ola S1 Pro is the best choice because of long battery range, fast performance, comfortable riding experience, and smart navigation features.

Customer: Which bike is best for students?

NeoKrish: Students mostly prefer Bajaj Chetak Electric because it is easy to ride, comfortable, budget-friendly, and stylish for daily college travel.

Customer: Which bike is best for office commute in Bangalore traffic?

NeoKrish: For office commute Ather 450X is highly recommended because of quick acceleration, smart dashboard, easy handling in traffic, and fast charging support in Bangalore.

Customer: Which electric bike has the highest demand in Bangalore?

NeoKrish: Currently the most demanded electric bikes in Bangalore are TVS iQube, Bajaj Chetak Electric, Ola S1 Pro, and Ather 450X.

Cancellation Policy

Customer: Can I cancel booking?

NeoKrish: Yes sir, cancellations before 24 hours are eligible for full refund.

Customer: Will I get a refund?

NeoKrish: Yes sir, if you cancel before 24 hours you will get a full refund.

Payment Issue

Customer: The app payment failed but money was deducted.

NeoKrish: Sorry for the inconvenience sir. Please share your transaction details and booking ID with our support team and we will resolve it immediately.

Fallback Response

Customer: Unknown question or out of topic question.

NeoKrish: Sorry sir, I currently support only bike rental related queries. Please contact customer support for more help.
